Opening of Pool Includes:

- Removal of winter plugs
- Install directional eyeballs/skimmer basket, etc.
- Insert plugs and start pool equipment
- Install handrails & ladders
- Check for equipment leaks
- Check/Install back wash hose
- Install light (if removed) if water level not too high
- **Does not include** cleaning or vacuuming pool
- **Does not include** filling or draining of pool
- **Does not include** changing sand
- Chemicals can be added upon request, i.e. fill chlorinators, add liquid chlorine (Opening rate does not include cost of liquid chlorine or chemicals)

Additional Charges

- Servicing of equipment will be done at a later date.
- Any chemicals that are to be delivered or added to pool at time of opening.

Please Note: Gannon Pool & Spa

will not service equipment at time of opening. We will call and reschedule a service appointment for heaters, pumps, and plumbing if not operable at the time of opening your pool. A separate appointment will be required to change sand and repair equipment, all at any additional service charge.

***Gannon Pool & Spa will have**

"delivery only" of chemicals available.

SEE Opening Dates/Delivery Dates.

\$20.00 delivery charge will be added.

Reminder - Please have all accessories readily available for opening of pool.

- Bag for mesh cover
- Eyeballs
- Skimmer baskets
- Handrails / Ladders
- Back Wash Hose
- Power on at filter system
- Water level needs to be high enough to prime pump
- Make sure bumpers are on ladder

Payment or credit card due upon order.

Visa, MasterCard, Discover & American Express.

Cash & Checks must be presented at the time of order.
